

# SEND A SECRET MESSAGE

The Sons of Liberty often sent secret messages about hidden resources and weapons to prevent the British from locating them. In this activity, you will send and receive secret messages!

## Directions:

Before starting the activity, hide something somewhere in the classroom that your partner will have to find. Then, with your partner, switch around the letters of the alphabet so that each letter matches with a different letter. Once that is complete, write a secret message to your partner that will help him/her find the object you hid!

Switch roles and do it again!

**Bonus:** Take another group's secret message and try to figure out what it says!
